18th International Conference on ADHD, April 12th & 13th 2025

Dear Friends and Colleagues,

We are delighted to invite you to join us at the 18th International Conference on ADHD, taking place on April 12th & 13th 2025 in Berlin. This year's conference theme will be "**ADHD and Comorbidity: Multimodal Assessment and Treatment**". The focus will explore the complexities and intersections of ADHD with other comorbidities.

Our International Conference will bring together distinguished experts, researchers, and practitioners from across the globe to discuss and share the latest advancements, research, and clinical practices in ADHD.

The event will provide an engaging forum to network with peers, explore innovative approaches, and gain insights into emerging treatments and strategies for managing ADHD across various age groups.

We would be honored to have your participation at this important gathering and look forward to advancing the field of ADHD care together.

Yours faithfully,

Prof. Dr. Manfred Döpfner

Prof. Dr. Dr. Tobias Banaschewski

Prof. Dr. Alexandra Philipsen

Prof. Dr. Diane Purper-Ouakil
